

**REMARKS/ARGUMENTS**

In the non-final Office Action dated May 2, 2005, claims 100-113, 116, and 117 were identified as allowed. For purposes of expedited prosecution, Applicant has canceled all the non-allowed claims (i.e., claims 20-26) without prejudice. Accordingly, Applicant submits that all claims now pending in this Application are in condition for allowance. The issuance of a formal Notice of Allowance at an early date is respectfully requested.

The specification has been amended to correct inadvertently introduced typographical errors. Applicant submits that no new subject matter has been introduced by the amendments.

Applicant would like to bring to the Examiner's attention U.S. Application No. 10/802,124 filed March 15, 2004 (Attorney Docket No. 018563-0006010US) which is a continuation of the present application. Examiner is requested to consider the prosecution of the 10/802,124 application during the prosecution of the present application.

If the Examiner believes a telephone conference would expedite prosecution of this application, please telephone the undersigned at 650-326-2400.

Respectfully submitted,
